### **NOTICE OF ACCELERATED MASS COVID-19 VACCINATION IN THE DISTRICTS OF ACHOLI AND KIGEZI REGIONS**

As you may remember, HE the President of the Republic of Uganda in his last two addresses on Covid-19 vaccination to the Nation emphasized the critical role of District Local Governments in ensuring that vaccination targets are achieved and vaccines are consumed before expiry. He further highlighted the need to mobilize the people for vaccination and singled out the Resident District Commissioners, Chief Administrative Officers, District Health Officers, Sub-county Chiefs, Gombolola Internal Security officers, and the Parish Chief for this endeavor to succeed.

To this effect, the Ministry of Health is engaging 17 districts in these two regions to vaccinate at least 90% of their eligible persons in seven days. The campaign preparations will start on Monday 22<sup>nd</sup> November 2021 with district-level micro-planning and training. To ensure successful implementation, daily performance must be measured. Districts are therefore required to ensure that a team of 10 data entrants is constituted and equipped with computers to enter individual personal data and daily summaries.

There will also be a regional meeting of leaders on Tuesday 23<sup>rd</sup> November in the two Sub-regions before the start of vaccination activities on Thursday 25<sup>th</sup> November 2021. The venues for the meetings in the respective sub-regions will be communicated in due course.
